

International Zen Institute of Florida

3860 Crawford Ave., Miami, FL 33133, Phone (305)448-8969

We would like to invite you to consider membership in the International Zen Institute of Florida. Membership represents commitment and support to the Sangha and the Zen Buddhist practice that the Sangha embodies. Buddhist communities have always relied on the generosity of their supporters as a way of learning that, at the most basic level, we are all connected to and dependent upon each other.

The practice of giving is a complementary path leading to the realization of our deep bond with one another and with all living beings; and it eliminates the craving that is dominant within ourselves.

Members are encouraged to pledge financial support at a level which is appropriate to their means. We suggest the following pledges:

As a Contributing member \$20 monthly

As an Active member \$40 monthly

As a Participating member \$75 monthly

All members will receive the Moonheart Sangha newsletters and have access to our library. Active members may participate in Daily Practice at the Dharma House free of charge. Participating members may participate in Daily Practice and weekend activities free of charge.
